

COLORADO X-CAB

COLORADO

SETTING NEW STANDARDS OF PERFORMANCE
AND STYLE IN A LEGENDARY
TOUGH TRUCK PACKAGE

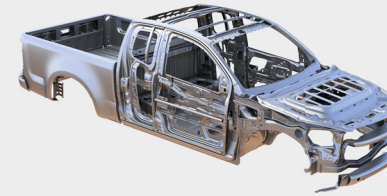

THE COLORADO X-CAB COMMANDS ATTENTION WHEREVER IT GOES WITH ITS STRIKING DESIGN AND EXTREMELY TOUGH PERFORMANCE, MAKING IT THE IDEAL ALL-PURPOSE VEHICLE FOR BOTH EVERYDAY COMMUTING AND HEAVY-DUTY WORKING DAYS.

The Colorado features a Dual-Port Grille with Chevrolet's iconic bowtie; fog lamps, halogen headlights and a third break light for greater confidence in low-light driving conditions and large power-controlled side mirrors with built in LED turn signals.

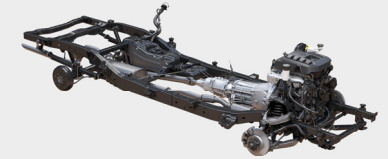

INSTRUMENT CLUSTER WITH INTELLIGENT DATA INFORMATION DISPLAY The Chevrolet Camaro inspired dashboard neatly displays vital driving and performance information on the Driver Information Center (DIC).

PERFORMANCE & SAFETY

NEW DURAMAX

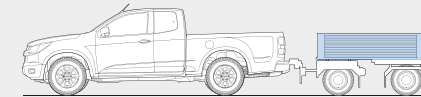

High-Strength body on frame

Chassis structure: 8 cross members / 7 cross members

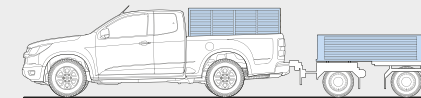

Payload The ultimate choice for durability and extreme versatility for all applications.

Z71 2WD

Curb Mass +
Towing load

3,500 kg.

Z71 2WD

Fully loaded +
Towing load

6,000 kg.

UNLEASH THE POWER of the New 'DURAMAX' engine. The latest development of America's legendary Duramax diesel engine is tough, powerful and fuel-efficient.

THE NEW 2.5 DURAMAX DIESEL With 4 cylinders, 16 valves and 163 horsepower (120 kilowatts) at its disposal, the new robust 2.5-liter Duramax diesel engine delivers 380 nm of torque at 2,000 rpm. Benefitting from a direct injection system, the engine delivers more power while consuming less fuel. Meanwhile, the turbocharger and intercooler system work together to regulate the temperature and density of the air being circulated in the engine at any time to, creating more efficient combustion and providing an increased amount of horsepower and torque. This high-power engine is controlled by a smooth-shifting 6-speed manual transmission, making on-road or off-road driving a breeze.

SAFETY FIRST AND FOREMOST The Colorado comes equipped with innovation safety feature including a high-strength body on frame, strengthened in-door support beams and a newly designed chassis structure.

ACTIVE SAFETY The highly durable body frame of the Colorado is capable of withstanding harsh bending forces. With extra support beams inside the door panels, the impact force from a side collision is optimally absorbed, making the passenger cabin a safe zone. The chassis itself has been totally redesigned with precisely calculated structures to ensure optimum resistance against bending force. As a result, maximum stability and traction are assured while curb mass or fully loaded.

PASSIVE SAFETY

- Double SRS airbags and safety belts with pretensioner and load limiter.
- The Safety Steering Wheel crushes itself inward automatically to reduce the force of impact to the chest in the event of a frontal collision.
- A double-layer laminated windshield retains shattered fragments of glass which would otherwise be dispersed as shards.

SUSPENSION Comfort and traction is optimized with the use of gas shock absorbers, Independent Double Wishbone suspension on the front and Half-Oval Steel Leaf springs on the rear. Control of the vehicle is thus maintained at all speeds, whether on straight roads or while cornering and in both curb mass or fully loaded conditions.

ACCESSORIES

1. CD/DVD Player
2. Daytime Running light
3. Hood Protector
4. B-Pillar Blackout Sticker
5. Chromed Mirror Cover
6. Side window deflectors
7. Chromed Door Handle
8. Chromed Fog Lamp Bezel
9. Storage Box
10. Side Steps
11. Front Bumper Protector
12. Sports Bar
13. Sports Bar With Tonneau Cover
14. Soft Tonneau Cover
15. Hard Tonneau Cover
16. Cargo Bed Liner
 - Spare Tire Lock
 - Vehicle Body Cover
 - Alloy Wheel
 - Chromed Tailgate
 - Floor Mat
 - Floor Carpets
 - Lighter & Ashtray
 - Instrument Pad Cover
 - Chromed Door Interior Handle
 - Rear Parking Sensor
 - Fog lamp
 - Projector Headlamps
 - Bluetooth-compatible 2-DIN Audio System

- USB Cable
- DVD Multimedia Player with Satellite Navigation
- Ambient Footwell Lighting
- Windshield Sunshade
- Tire Repair Kit
- Warning Triangle Sign

SPECIFICATIONS AND FEATURES

SPECIFICATION	X-CAB		
Driveline	2 WD		
Model	2.5 LS1	2.5 LT	2.5 LT Z71
Engine			
Engine reference	Duramax (XLDE 25)		
Engine type	Commonrail Turbo Direct Injection with Intercooler system DOHC, 16-valve, In-Line, Liquid-Cooled		
Displacement (cc)	2,499		
Piston width x stroke (mm.)	92 x 94		
Compression ratio	16.5 :1		
Maximum power (HP (Kw)) / rpm)	163 (120) / 3,600		
Maximum torque (nm (kg-m) / rpm)	380 (38.8) / 2,000		
Injector pumps	Electronically Controlled Injector Pumps		
Powertrain			
Transmission type	6-speed Manual		
1st Gear Ratio	4.02		
2nd Gear Ratio	2.21		
3rd Gear Ratio	1.46		
4th Gear Ratio	1.00		
5th Gear Ratio	0.76		
6th Gear Ratio	0.59		
Reverse Gear Ratio	3.63		
Gear Ratio Differential	4.10		
Suspension System			
Front	Independent, Double Wishbone with Gas Shock Absorbers		
Rear	Leaf Spring with Half Oval Steel Pads and Gas Shock Absorbers		
Steering System			
Type	Rack and Pinion with Power Steering		
Brake System			
Front	280 mm. Ventilated Disc Brake		300 mm. Ventilated Disc Brake
Rear	295 mm. Drum Brake		
Brake booster	10.5" size		
External Dimensions			
Length (without/with rear bumper) (mm.)	5,250, 5,347		
Width (mm.)	1,789		1882
Height (mm.)	1,697	1,699	1,783
Truck bed length (mm.)		1,795	
Wheelbase (mm.)		3,096	
Front / Rear track (mm.)	1,510 / 1,510		1,570 / 1,570
Minimum ground clearance (mm.)	190	194	270
Minimum Turning Radius (m.)	6.1		6.3
Internal Dimensions			
Length (mm.) - legroom front	1,068		
Height (mm.) - from seats	1,005		
Width (mm.) - shoulder room	1,460		
Width (mm.) - hip room	1,400		
Capacity			
Truck with load (kg.) + tow (kg.)	2,850		3,100
Number of seats		2	
Fuel tank (liter)		76

MAXIMUM SUPPORT Chevrolet ensures that your driving experience is always worry-free by providing a complimentary 3-year or 100,000 km (whichever comes first) warranty. Additionally, with the knowledge that wherever your travel in Thailand, you're one call away from the 24-hour roadside assistance program provided by our nationwide network of Chevrolet Service Centers, you can always drive with total peace of mind.

LOW COST OF OWNERSHIP The high-quality parts and advanced technology in the Chevrolet Colorado extend the interval between services to an amazing 20,000 kilometers. With less frequent services and more inexpensive parts due competitively priced genuine Chevrolet parts, you're sure to make great savings, year on year.

Remarks: Conditions apply for the 3-year/100,000-kilometer warranty and the 24-hour Chevrolet Roadside Assistance as per the vehicle operation and service manual.
: The company reserves the right to alter the above specifications without prior notice
